If you have an existing liability insurance policy, please send your properly completed COI Certificate to PORTAL@Rainprotection.net

If you do not have, would prefer not use, or your existing liability policy does not meet the requirements outlined above, you may purchase a policy through our partner, Rain Protection, for $115. The policy is fully compliant and covers your company for the duration of the Coverings show.

General Liability Insurance:

- Protects exhibitors who do not have Commercial General Liability Insurance or who do not want to use their own insurance.
- Protects foreign exhibitors whose insurance will not pay claims brought in U.S. courts.

If you are part of a Pavilion, please work with your Pavilion Organizer to confirm whether they will be purchasing insurance for the entire Pavilion or if exhibitors are responsible for acquiring their own insurance.
