EXHIBIT IN THE NEW 360 BUSINESS + TECH EXCHANGE

Tile, stone and construction industry professionals are looking for smarter ways to run, grow and modernize their businesses. Put your company at the center of those conversations, and in a highly visible new destination at Coverings 2027.

Coverings' 360 Business + Tech Exchange (BTX) brings together the technology, services and business solutions shaping the industry, all in a turnkey format designed to make exhibiting at Coverings easy.

Your company will be showcased in a highly promoted exhibit area, with a prominent hanging banner driving visibility and traffic to the 360 BTX. The turnkey, kiosk-style format includes everything you need to exhibit for one set price:

- Custom graphics
- Electrical drop
- One monitor
- One stool
- Carpet
- Nightly vacuuming
- One 20-minute live demo opportunity

Secure your kiosk for only \$5,000!
Only 10 spots available on a first-come,
first-served basis.
